Summer 1 - End of term review

It may have been just a five-week term but the children have been incredibly busy.

Year 2 and Year 6 SATs

Well done to all the year 2 and year 6 children who have now completed all their SATs tests.

The children have work really hard and tried their very best.

Thank you for your continued support.

Y6 Residential Trip

The Year 6 children had a fantastic time on their residential at Conover Hall at the end of last term. They had lots of opportunities to try new and exciting activities including:

The children presented a summary of their experiences in an assembly to their parents, the year 5 parents and the year 5 children so they can start thinking ahead for next year. Year 5s, please remember to return your Residential interest letters by Friday 9th June.

Junior Travel Ambassadors - JTAs

At the start of term all Year 5 children held an assembly for all parents about our new walking zone and improving traffic and parking outside the school gates.

Well done to Matthew Baker, Eloise Bick, Kyla Davies, Scarlett Etheridge, Oliver Hayward and Daniel Sanchez-Mosqueda who then continued to work on this project and have since become Junior Travel Ambassadors. The children worked during some of their lunch breaks with Jenny and Roisin from Think Travel to plan and then deliver assemblies to the school about Road Safety. The group have their own JTA badges and will look to continue to raise awareness about safe and healthy travel to school, which continued last week with Walk to School week. The children conducted a travel count at the beginning of term and then again after their work, which has already shown an increase in numbers walking and a reduction in the number of cars passing the school. Whilst it is early days and there are many influencing factors, this is a positive sign and hope that people continue to try to walk, scoot or cycle to school where possible – thank you for your co-operation.

The Walk to School week winning class was 2KWH - Mrs Whittaker's class.

The children received a class certificate and a walk to school badge each. Well done!

Reception Classes - Preparing the Children for Transition

After the half-term holiday, the Reception coat trolleys will be inside the classrooms first thing in the morning. This is to encourage the children to come into class independently and to hang up their coats and bags, in preparation for their transition to Year 1. Many thanks for your co-operation.

Attendance

Pupils arriving at school later than 8.30am should sign in at the school office. Please note, the main gate remains open for a few minutes to allow parents to leave the premises.

Classroom doors close at 8.30am and the gate into the Reception outdoor area is also locked at 8.30am.

NEW FORM

Requests for absence in exceptional circumstances

We now have an absence request form obtainable from the main office. This must be completed if you are requesting leave/absence for your child. Please note: authorisation for absence is only given in exceptional circumstances.

Congratulations to the children who earned themselves an end of term BEST certificate!

Uniform Orders for September 2017

The start of the school year is an extremely busy time at the school office, helping new children and their parents. So now is the time to start thinking about what uniform your child needs for September 2017. The school only sells book bags, despatch bags, PE bags, and house PE t-shirts, so remember to order your school sweatshirts and cardigans online. Go to the school website and follow the uniform ordering link. We recommend ordering as soon as possible and get them delivered to the school free of charge. Thank you for your understanding.

Lunchboxes

A polite reminder that the children are encouraged to have a healthy lunchbox, please do not send your child with chocolate bars (e.g. Wispa, Galaxy etc) or sweets. Thank you for your cooperation.

Enjoy the half-term break.

We will see you all when we all return to school on **Monday 5th June.**
