

Welcome back to the second half of the spring term. Another relatively short one but with lots happening as always!

Arts week

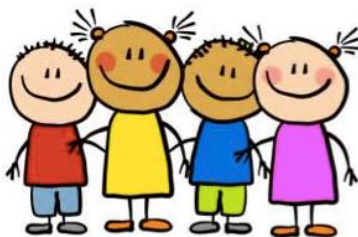

Right at the end of last term, the children participated in Arts week with the theme: Around the World. The week incorporated fun and interesting opportunities to explore and create artworks including dance, music and visual arts, from a range of countries and cultures. The children spoke very highly of the week and their work certainly looked outstanding in the gallery display. Many thanks to those who were able to come along and support and appreciate the pupils' hard work. For those that missed it, much of the work is still on display so you will be able to view it at the forthcoming parents' evenings.
