Hunts Grove Highlights

Year 2—Hedgehog Trip to Clevedon Pier

Hedgehogs enjoyed a wonderful trip to Clevedon Pier this term. They had great fun exploring the museum and learning all about the piers history from Abbie. We couldn't believe it only took 60 men 18 months to build it! From the end of the pier, we could see Wales! We had a great time on our trip and were able to spot many human and physical features. It was very different to our local area but we did notice some similarities between the two places, such as houses and shops.

Year 3/4 Badgers—Stone Age

In Badger's Class, the Stone Age character from our class text, Ug was fed up of wearing stone trousers and wanted to create some soft, woolly ones. The children cut out and stitched together model pairs of trousers using 'woolly mammoth skin'. We then wrote a set of instructions for someone else to be able to make them. Everyone tried very hard with the cutting and the sewing, and we were successful in making them soft!

Its hard to believe that we are at the end of our first term. The pupils had a fantastic start to the year and are really enjoying having their own assemblies in the Hunts Grove hall and their own clubs. Thank you for your support with the Harvest Festival assembly and congratulations to all those pupils who received a certificate in our Good News Assembly. Have a great half term and we will see everyone back at school on Monday 29th October .
