Ground Breaking Ceremony

Dear Parents,

I hope you had a good half term. The building works for our new school are progressing well and year 4 had a great time at the Ground Breaking Ceremony.

We have a busy term ahead of us and towards the end of the year the whole of Hunts Grove will be performing in the Christmas production. We look forward to seeing you all there.

Mr G Philcox

Hunts Grove Highlights

Fox class

All the children have settled into Hunts Grove school life and have enjoyed many different things this first term. These include:

- Making new friends
- Investigating our classroom
- Learning new sounds and letter names
- Singing counting songs
- Yoga and dancing
- Cooking and making milkshakes
- Good news assemblies
- Harvest assembly
- Stay and play

And much, much more!

Hedgehogs Class

Hedgehogs have had a great start back to school after their half-term break and have been busy learning about their new Power of Reading text 'How to Find Gold'. They went on an exciting treasure hunt around the school, looking for clues and at the end of the hunt we found our new book. We were great at solving the puzzles! Hedgehogs have also been busy making hard-tack, an old recipe that sailors at sea used to eat. It was very salty and tough, but some of us liked it! It took Mr Philcox ages to eat his!

Last day of school Friday 21st December 2018

Hunts Grove Build

The building work for Hunt Grove Primary Academy has now started

You can see the progress of this build by visiting the following link:
