

Dear Parents,

The pupils have made a great start to the term and have settled very well. Hunts Grove now feels like a separate school and we are having our own assemblies in our new hall space. I hope to enhance the identity of Hunts Grove Primary Academy as we progress through the year by holding events such as harvest festival and Christmas productions and running our own extra-curricular clubs.

We have a number of new staff this year including myself. Mrs Bilo and Miss Webb make up the Year 3 and 4 team and we welcome Mrs Lanciano as our school administrator. She will be in the Waterwells office on Tuesdays, Wednesdays and Thursdays this year.

I am very much looking forward to getting to know the children and the Hunts Grove community and if you have any queries or questions about school please do not hesitate to contact me.

Please find a copy of the key dates that we have already planned for the year.

Yours faithfully

Mr Philcox
Head of School
