

Year 3 Homework Autumn 1

You will need to complete 7 pieces of homework during this half term. You have the 12 homework options to choose from below. You will need to complete at least 1 homework from each section.

<p>English Make a visitor leaflet for Stonehenge. You might want to include where it is, what it is, what to do there, why people go there etc. Here are some websites to help: http://www.english-heritage.org.uk/visit/places/stonehenge/ http://www.stonehenge.co.uk/</p>	<p>English On Purple Mash, find out about Thomas Edison and create an interview style magazine article.</p> 	<p>English Write a short story using at least 5 of the words from your spelling list. Remember you should be learning your spellings every week.</p>	<p>English Write a recount about something interesting that you did during the summer holidays. (eg somewhere you visited, someone you visited or an activity you did).</p> 
<p>Maths Partition the following numbers into hundreds, tens and ones then write the number in words. e.g. 126= 1 hundred 2 tens and 6 ones= 1 hundred and twenty six. 67, 82, 124, 39, 176, 110, 209, 146.</p>	<p>Maths Create a song/poem/rap to help you to remember your 3 or 4 times tables.</p> 	<p>Maths Find a recipe and bake a tasty treat making sure you weigh out the ingredients exactly (take a picture of your baking or bring some in to share). Write out the ingredients and their measurements in your book.</p> 	<p>Maths Using your login, go onto times tables rockstar and practice your times tables. Write your score out inside of your homework books. Practice your times tables three times. Does your score improve each time?</p> 
<p>Science Why is it important to stay safe from sunlight? How can you protect your eyes from the sun? Explain why it is important- This could be; - A poster - An advert - A new invention eg Designing some new sun shades (with an explanation).</p>	<p>History Design and make your own piece of Stone Age jewellery. Consider what people in the Stone Age would have used to make jewellery. How will you make yours?</p> 	<p>Science Create a shadow puppet and use this to write a story to perform using your shadow puppet (or film the story to show the class).</p> 	<p>History Create a model of a Stone Age house. You could make a cave (prehistoric), round house or 'tepee' (Mesolithic) or square house (Neolithic).</p>
